

Connect. Learn. Celebrate.

UPCOMING CAMPS

Our exciting and rewarding camps for young people with a disability aged 5-25, run over weekends and school holidays and offer a range of fun activities like bush walking, sports, kayaking, ten pin bowling, trampolining, movies, swimming and much more!

Each camp is run with the help of an experienced camp facilitator and volunteer camp leaders who are caring, enthusiastic, and dedicated to making it an engaging and rewarding experience. We also run higher support camps for those who need one-on-one care.

Not only are the camps fun for the young people who attend, but they also provide parents and carers a much needed opportunity to recharge their batteries.

Places at camps are limited, so what are you waiting for? Sign up for a camp today at www.cahoots.org.au
