

# Child Protection Week

## Information Sessions

The City of Rockingham is hosting FREE information workshops presented by Safe4Kids for parents and carers during Child Protection Week. These workshops are a proactive approach for parents/guardians and carers to teach life skills to children, providing them the tools to seek appropriate assistance and/or protect themselves when in an unsafe situation. We all have the right to feel safe.

Please be aware this workshop is aimed at parents and carers and is not suitable for children to attend.

FREE EVENT

**Right**  
to feel safe
