

Raising Confident Competent Children

Delivered by Department of Education Psychologist

Provides parents/ carers with information on the core skills that are important for children so they are more likely to confidently succeed at school and get along with others.

The session covers:

- Showing respect to others and being considerate
- Having good communication and social skills
- Having healthy self esteem
- Becoming a good problem solver
- Becoming independent

□

You will have the opportunity to talk about experiences and common problems that may occur.
