

PEEL LANGUAGE DEVELOPMENT SCHOOL

Kaya

Here we are at the end of another year of learning at Peel LDS. It has been a pleasure to read the reports and see the progress that the students have made throughout the year. It is a credit to the students and demonstrates the dedication and expertise that the educators at Peel provide to your children each and every day they attend the learning program. A sincere thank you to everyone who contributes to Peel LDS, be they educators, a member of the Speech Pathology team, Administration staff, or our dedicated Statewide Outreach Team. Special sincere thanks to my Deputy team, Michelle Columbus, Anita Neeson, Amanda Whelan, and Justine Daly. Together we are the day-to-day points of contact for staff, students and families. We are a hard-working, innovative, and supportive team, and it is a pleasure to come to work each day to work together to create the supportive environment for your children to thrive.

It has been a big year and one of highs and lows. We started the year with a school review which was an opportunity to have our work at the school validated by an external team from the Education Department. We farewelled Ms Collins who won the Principal role at North East LDC. We also felt very acutely the sudden death of Miss Alicia Calder, an experienced educator who added vibrance and passion to our teaching staff. We ended this year with our recent whole school review where we were able to celebrate the many achievements of groups of students as well as individual shining stars who had made significant progress throughout the year. In the past few weeks at every campus some of these students have been receiving awards for their efforts. This week the Principal awards were sent home in the post, so please check your letterbox over the next week to see if there is one there for your child.

To the Year 3 students, and the students who are exiting this year for one reason or another, on behalf of the staff and the Board of Peel LDS, we wish you every success in all that you do. Learning is a journey and we have given you the best start we can give you. We look forward to seeing where you all go next. Remember to come back and see us, we love to share your successes with you and your families.

All that is left for me to say is have a wonderful festive and holiday season and to those returning we will see you all again on Wednesday 31st Jan to welcome the 2024 learning year.

Stay safe everyone.

Fiona Forbes
Principal

PEEL LANGUAGE DEVELOPMENT SCHOOL

Independent Public School SCHOOL BOARD MEETING 14th November 2023

Chairpersons Communicae

5 Members
2 Ex Officio's
6 Apologies

Business Arising from Previous Minutes included:

Fiona Forbes
On behalf of the Board Chair, Kynan Ridley
Peel Language Development School

Next Meeting scheduled for Tuesday 6th February, 2024

9.30am

Resource Room, RLPS Campus

On October 13 Miss Columbus had the pleasure and privilege of attending the high school graduation of a former student, Elizabeth Hope. Elizabeth graduated Year 12 at Court Grammar School and was awarded the school prize for resiliency. It was wonderful to see Elizabeth brimming with confidence and enthusiasm and excited for the next chapter of her life. Elizabeth will be doing some hospitality training and hopes to get in to nursing in the future. Thank you to Elizabeth's family for remaining in touch after Elizabeth left us as a Year 3 student and for inviting Miss Columbus along to be a part of a very proud moment. We wish Elizabeth all the best for an exciting future ahead.

MANDURAH CAMPUS

Wow, how the year has flown by us. We look back on a year that was action packed, full of fun, learning and friendships. It is hard to believe we only have a few more days before we send our amazing year three students off to begin their learning journey beyond Peel Language Development School.

Last Thursday December 7th, Mandurah Campus celebrated 2023 with our annual Graduation and Book Awards Ceremony. We had a wonderful day. Beginning with a beautiful rendition of Aussie Jingle Bells, performed by Rooms 10,11 and 15, this was followed by our Book Award presentations. Congratulations to all Book Award recipients you should be very proud of yourself and your achievements. Whilst not everyone wins a book prize every single student should be extremely proud of their own progress and success

MANDURAH CAMPUS

The entertainment continued with Room 14 students singing and dancing to their own version of Fight song. Graduation Certificates were then presented to our 14 students, who will be leaving us with many special memories, to continue their learning journeys beyond Peel Language Development School. Upon leaving the stage, graduating students were presented with a Graduation photograph in a frame, which they then presented to their parents. There were plenty of tissues being used at that moment, as tears of pride flowed from the eyes of very proud family members. We wish our graduates and other students who are leaving us to continue their education at other schools, every success and happiness.

The staff at Mandurah Campus, would also like to take this opportunity to thank all of our Host school Mandurah Primary and our families for supporting and working in collaboration with us, again this year. Enjoy your holidays, stay safe and we look forward to seeing many of you back next year.

The annual school picnic was once again a highlight of the year, Room 14 students were extremely excited to meet their 2023 pen pals from Bungaree Campus. It was great to be able to put faces to names on the bottom of a letter.

MANDURAH CAMPUS

To end our health unit on road safety the Year 2 students at Peel Language Development School decided to create vibrant and engaging road safety posters. Students worked individually and in small groups to share their ideas and design a plan for their poster. The posters were a way that students could help others, sharing information on how to journey safely to and from school on foot and on two wheels.

Students enthusiastically went about creating these posters. Each student thinking of a rule or catch phrase that delivers a simple road safety message to fellow students of all ages.

These posters are powerful advocates for safe biking and walking. Students have chosen a variety of illustrations including the proper use of crosswalks, reminders about the importance of helmets and looking both ways before crossing the road. These posters will be shown to each of the classes at Peel Language Development School, where students will have the opportunity to talk about the important safety message that they have showcased on their poster. The posters will then be displayed in all classes as well as communal areas, for all students, friends, and families to view. We hope our road safety messages keep us all safe when using the road!

MANDURAH CAMPUS

The end of the term is fast approaching. We have done some amazing, directed drawings this term, from sunflowers to nutcrackers. Here are some of our masterpieces!

We wish all our students and families a wonderful, restful and safe school break. We look forward to seeing you all next year!

RLPS CAMPUS

ROOM 1.2

We've had a very successful year of gardening in Room 1.2. The potatoes were our most popular crop and we had so much fun planting, growing, harvesting, and cooking them.

We've spread a good layer of mulch over the garden beds so they can have a good break over the hots months to come. We look forward to donning our gloves again next year.

RLPS CAMPUS

During Move Up Day on Wednesday 13 December, the future Year 4s had some fun on the oval with Mrs Forbes. After a game of soccer everyone had a turn at throwing water balloons at Mrs Forbes. Everyone had a great time!

CHRISTMAS JOKES

What goes "oh, oh, oh"?
Santa walking backwards

What do elves do
after school?

Their gnome work

What do you
call a
bankrupt
Santa?

Saint
Nick-el-less

What music
do Santa's
elves like
the best?

Wrap music

What do you call
Santa when he
doesn't move?

Santa Pause

Why didn't
Rudolph get a
good report card?

Because he went
down in history
