A MESSAGE FROM OUR PRINCIPAL

Kaya

Here we are at the end of another year of learning. It was a pleasure reading school reports and seeing the progress made by students in 2024. Students across all campuses have participated in end of year awards and it was pleasing to see and hear of individual successes. Teachers have also sent names to me and award certificates will be coming out via mail, so please look in your letterbox over the coming days, there could be something there for your child. If you have a Year Three student in 2024, then a certificate will be coming home via the mail, please encourage your child to check the mailbox next week. We do wish all our Year three students the very best in their new schools in 2025 and look forward to hearing their successes in the future, should you wish to share them with us.

IMPORTANT DATES

ALL CAMPUSES

5th February
Term 1 Starts 2025

This time of year, is important to thank those of you who contributed to school life, by volunteering, parent help or guest speaking. Your contributions are gratefully received by all the staff. Schools need families to participate in the learning of their children and we appreciate the effort that this takes in your busy lives.

We have a highly trained and valuable staff who have supported the learning of your children this year. Be they in the classroom, in the office, part of our support staff or indeed the Administration of the school, each and every one of them is dedicated to ensuring the Peel vision of 'Inspire, Educate and Achieve' is alive in every class, every day.

As with any school we have some staff leaving and I would like to pay tribute to those who leave us at the end of the year, for their service, dedication and commitment to our school while they have been here. I wish them all the very best for the future. This year we farewell, Mrs Bellenger, Miss Strike, Ms Powell, Miss White, Mrs Roads and Brooke Andrews from the office. The gardener of 19 years at the RLPS Campus is also retiring so we join with the campus is wishing Gary Withers all the very best for the future.

All that is left for me to say is have a very wonderful festive season if you celebrate and a wonderful summer break. For those returning in 2025, we look forward to seeing you on February 5th.

Stay safe everyone.

MANDURAH CAMPUS

The Final Countdown at Mandurah

Where did the year go?

It's hard to believe that our 2024 School year is coming to an end. What an exciting action packed ending we have had.

Our annual picnic was once again a great way for students and staff across all campuses to join together and create some great memories.

Students were excited to connect with their pen pals who they have been corresponding with throughout the year.

MANDURAH CAMPUS

Final Assembly and Book awards were held on Monday the 9th of December. This was a fantastic morning with lots of entertainment and tears of pride. Congratulations to all our book award recipients. An even bigger Congratulations to every student at our Mandurah Campus who have worked tirelessly to achieve the best results they could.

MANDURAH CAMPUS

Farewell Year 3 and Goodluck.

We sadly say goodbye to our Year 3 Students, whose Peel Language Development School Journey is now complete. They have been a great bunch of students, and it has been a privilege to watch them grow, mature and achieve throughout their learning journey. We wish them well with the new chapter of learning they are about to embark on.

Together they have made many friends and created many memories throughout the years, with many more to come. The staff at Mandurah Campus thank you for being amazing role models. We will miss you.
